About This Game

SUPERVERSE is fast-paced arcade space shooter game taking player to exploration of ancient network of unique “pocket” universes interconnected by wormhole super-highways in a search of a way to return to past and prevent destruction of his home world.

Player can only count on his own instinct, reflexes, speed, weapon destructive power and the shield to protect himself while taking care of enemy spaceships, asteroids, explosions and particles around him.

Features

- Explore unique and interconnected universes
- Travel through wormholes & discover new worlds
- Be the artificial intelligence & fight against top-notch AI driven machines
- Choose from a range of high-tech spaceships
- Newtonian & other physics powered universes
- Shoot destructive weapons; a multitude of options for making things explode

-
- Enjoy an impressive 3D visual experience
 - Engaging music and full 3D sound effects
 - Play in Co-Op local multiplayer or Single player mode
